14. Jazzgipfel in Trier

Trier is always worth a visit, but especially so this coming Friday, the 18th of January, from 8 pm.

If you remotely like jazz, do not miss the local Jazz club's highlight: The 14. Jazzgipfel taking place in TUFA (Tuchfabrik, Wechselstr. 4-6, D-54290 Trier).

Starting at 8 pm. 10 bands will perform and give you a broad impression of the local jazz scene.

Any musical taste will be satisfied: Bands from duets to a nonet will introduce you to everything from blues, guitar jazz, and vocal jazz to more modern music. Our colleague Nils Thoma (unit C2), chairman of the Jazz club, will perform with his quintet ad hoc (www.ad-hoc-jazz.de) and his nonet NilsWills (www.nilswills.de).

Entrance fee: 8,00 € / 6,00 € / 4,00 € — you should buy a ticket in advance, available at www.ticket-regional.de.
